3. Report to every class ready to work equipped with Chromebook, notebook, pen, pencil, calculator, textbook and homework.
4. Respect yourself and others and be fully engaged in learning.
5. Know and abide by the school's Code of Conduct.
6. Participate in extracurricular and athletic programs of your choice.
7. Observe all school and safety rules.

10. Be a force for positive change within your school and community.

PERSONAL APPEARANCE

We are a high school and we feel that our scholars should dress appropriately. We have adopted and impose a uniform dress code for our scholars. We believe that we have found some common ground in which we can operate on a daily basis without having individuals become a distraction to the educational process in our classrooms and hallways. In order to provide an atmosphere where clothing is NOT an educational distraction in the classroom and the hallways, we require scholar adhere to the following guidelines:

- All blouses, sweaters, shirts, athletic tops, or tees should cover the abdomen
- Specific messages on shirts or sweatpants that carry messages of violence, sexual innuendo, drug or alcohol-related and/or anti-bias nature cannot be worn
- All pants, slacks, jeans, sweatpants, etc. may not be rolled down at the waist or left to fall so that underwear is showing
- Skirts, shorts or skorts should be appropriate in length, so as not to be a distraction when sitting. Mini-skirts and shorts are NOT conducive to the high school environment
- See-through blouses or short skirts are not appropriate
- Tank tops, camisoles with thin straps that show underwear straps are not appropriate
- Scholars are not allowed to wear sunglasses during the school day. If a scholar has a medical reason, they must be cleared through the health office
- Scholars are not allowed to wear hoods in school during the school day
- Scholars are not allowed to wear costumes and/or parts of costumes without prior permission from building administration
- Scholars are not allowed to wear spiked bracelets or thick chains
- These guidelines apply to all school events i.e., music concerts, overnight school trips, field trips, athletic events, college/university visits, etc.

Repeated disregard for the personal appearance expectations will result in contact with parents and the scholar can be asked to change into appropriate clothing. A parent/guardian may be called to school to provide appropriate clothing.

***Prohibited attire would be pants below the waist, or underwear showing. Scholars who disobey this rule will 1st be given detention and if the behavior continues then the scholar can receive OSS (Out-of-School Suspension) up to five days.

Graduating seniors will not be allowed to march while wearing jeans, sneakers, shorts, boots, or flip flop sandals.

ATTENTION ALL PARENTS/GUARDIANS OF WYANDANCH MEMORIAL HIGH SCHOOL STUDENTS!

The number one priority as the Principal is to ensure the safety and welfare for all staff and students. In light of the many incidents of gun violence we have observed across the state and nation, it is necessary to continue to prevent any issues here at Wyandanch Memorial High School. Our aim is to keep, and maintain a safe environment. Therefore, we're taking the following necessary steps to ensure the safety of our staff and scholars.

SCHOLARS MUST HAVE A CLEAR BOOK BAG TO ENTER THE BUILDING ON SCHOOL DAYS AND DURING EXTRA-CURRICULAR ACTIVITIES

In selecting book bags/backpacks while school shopping, please ensure the bag is clear so security can see its contents. Should your child/children not have a bag on the first day of school, clear backpacks or totes will be provided to each scholar who does not have one. Thereafter, should your child's/children's book bag get damaged or lost, the school will not be responsible for issuing another. It will be the responsibility of the parent/guardian to supply the replacement.

If you have questions or further concerns regarding this matter, don't hesitate to call the building principal at 631-870-0450.

In order to prevent theft of your personal affects you are encouraged **NOT** to bring valuables to school. **NOTE:** All lockers remain the property of the school.

### **SCHOLAR-FACULTY IDENTIFICATION CARD**

Every scholar, faculty and staff member is issued an identification card which must be worn at all times. There are no exceptions. Every scholar must show his or her ID card when entering the school building. Scholars without an ID card will have to wait until the other scholars have entered school before they will be allowed to enter the building. If the ID is lost, the scholar must purchase another for \$5.00. Scholars who forget their ID card will be issued a paper pass for the day. Scholar who forget their ID's more than two times may be subject to further disciplinary action.

ID Cards must be used for admission to all athletic, social and other extra-curricular events. Every scholar must present and surrender their ID cards upon request from any faculty, staff or security officer at all times in every situation.

### **WHY MUST I ALWAYS HAVE A HALL PASS IF NOT IN CLASS?**

Just as the scholar ID card authorizes you to be in WMHS, a valid hall pass authorizes you to be in a non-classroom when classes are in session. Scholars are not allowed to be in the halls or rest rooms unless they have a valid pass signed by a faculty member. Scholars caught without a pass will be considered in an unauthorized areas of the building and will be reported to an administrator to be disciplined. Faculty will not issue passes to scholars to go to a locker or to visit someone in another class. Passes are only issued for emergencies and at the discretion of the teacher who becomes responsible for your whereabouts. Anyone who becomes ill or exhibits signs of illness will use a teacher issued hall pass to see the School Nurse. The Nurse will treat the scholar, record the time in which they signed the pass returning the scholar to his/her class. Teachers are to secure their hall passes. Any scholar who is reported to have an unauthorized or stolen hall pass will be subject to the same penalties as stealing. Being found in an *unauthorized place in the building* is a serious offense.

### **WHAT ARE THE PROCEDURES FOR GETTING SIGNED OUT EARLY?**

In order to ensure scholar safety, no scholar will be released to the custody of any individual who is not his/her parent or guardian; no one will be allowed early dismissal in response to a telephone call. Parents/Guardians who want their children to be dismissed early for any reason must come in person. The child will stay in class until the parent/guardian arrives. Parents/guardians may submit, at the time of their child's enrollment, a list of individuals authorized to obtain release of their children. Scholars who become ill will not be allowed to leave the school, except by ambulance, unless in the company of a parent, guardian or other authorized person.

### **WHAT ABOUT SCHEDULED EARLY RELEASE?**

Advanced juniors, seniors, and scholars with special work release options with modified

schedules who wish to leave school early for work-study related reasons may be allowed to do so with signed consent from a parent after an analysis of their academic transcript by their counselor.

### 13

#### **LEAVING WMHS CAMPUS WITHOUT PERMISSION**

Wyandanch High School is a *closed campus* at all times. When scholars enter school in the morning they are not allowed to leave the school premises or grounds during the regular school day unless an administrator gets permission from a parent or guardian. The purpose of all scholars attending school is to be in a classroom engaged in learning. Any scholar who leaves the school without approval will be considered cutting and will be subject to a one-day suspension from school for the first offense. Continued violation of this rule will lead to out of school suspension for two (2) days.

#### **SECURITY SERVICES**

Wyandanch Board of Education has hired security officers whose primary purpose is to enforce responsible scholar behavior in the halls. The security officers will ask students to comply with the school rules, clear the halls during class periods, or ask scholars to produce their ID tags. Scholars are expected to respond positively as they would to any faculty member. Any blatant disrespect displayed to security officer will be treated as a serious disciplinary infraction.

## ATTENDANCE GRADE/POLICY #5170-R

### **SCHOLAR ATTENDANCE ACCOUNTING-REGULATIONS**

Attendance must be recorded at least once daily for scholars in Grades K-5. Attendance for all other scholars (Grades 6-12) must be recorded during each period of instruction, the sole exception being when a scholar does not change classrooms.

- At the designated time or at the conclusion of each class or school day, all attendance information must be provided to the designated staff member responsible for the attendance function. All areas where scholars meet with non-instructional staff (Ex: Guidance, Nurse, I.S.S., Administrative Offices) will send the staff designee a daily log of scholars who reported to their area. Staff members not reporting accurate attendance information on a daily basis will be reported to building administration.
- All attendance reports must contain specific codes with the complete explanation of each code listed on the report.
- Attendance reports must be made available to and checked by the Building Principal or designee in an expeditious manner.

- Attendance data will be analyzed periodically to identify patterns or trends for individual scholars or groups.
- Attendance incentives will be developed on a building -to- building basis. Quarter, Semester, and Yearly awards should be considered as incentives for encouraging scholars with perfect attendance and punctuality. In addition, scholars whose attendance has improved significantly will also be recognized.

### **SCHOLAR ATTENDANCE**

The Wyandanch Board of Education recognizes that regular school attendance is a major component of academic success. Through the implementation of this policy, the Board expects to reduce the current level of unexcused absences, tardiness, and the rate of scholars who drop out before receiving a high school diploma or its equivalent; i.e. GED, etc. Through the implementation of this policy, the Board further expects to encourage full attendance by all scholars, maintain an adequate attendance record keeping system, identify patterns of unexcused absences, tardiness and rate of dropouts and develop effective intervention strategies to improve school attendance.

In the State of New York school attendance is both a right and a responsibility. Scholars have the right to attend school between the ages of five and twenty-one. Scholars are mandated to attend school between the ages of six and sixteen. Parents are ultimately responsible in ensuring that their children attend school on a regular basis.

The Superintendent of Schools is authorized to establish procedures and regulations to maintain and enhance scholar attendance.

### **NOTICE**

To be successful in the implementation of the above, it is imperative that all members of the school community are aware of this policy, its purpose, procedures and the consequences of non-compliance.

### **15**

To ensure that scholars, parents, teachers and administrators are notified and understand this policy, the following procedures shall be implemented.

- The attendance policy and specific building attendance procedures will be included in scholar and staff handbooks and will be reviewed with scholars and staff at the start of the school year and periodically throughout the school year.
- The attendance policy will be included either in the yearly school calendar or in a mailing to the community.
- All teachers shall be provided a copy of the policy as soon as practicable after initial adoption or amendment of the policy.
- All staff members will receive a copy of the attendance policy and specific building procedures at formal orientation activities at the beginning of the school year. All staff will receive periodic staff development with regard to proper implementation of the policy during the school year.
- Parents of Pre-K and newly registered scholars will receive a plain language summary of this policy at the time that all registration requirements have been met. Parents will be asked to read

the policy as a final act of registration and sign, indicating that they have read, had the opportunity to ask questions and do understand the policy.

- When a scholar is absent, tardy or leaves class or school without an excuse, designated staff members will notify the scholar's parent(s)/ guardian(s) by appropriate means of communication established by the district; inclusive of but not exclusive to mail, telephone calls and home visits. Such communication will remind parents/ guardians of the attendance policy.
- During the "meet the teachers" or "open school night" at the beginning of each school year, the building administrator or a designee, and staff, will explain this policy and stress to the parent(s)/ guardian(s) their responsibility for ensuring their child(ren's) attendance.
- District as well as specific school newsletters and publications will include periodic reminders of the components of this policy.
- Copies of this policy will be made to community residents upon a written request to the Office of the Superintendent.
- The district shall convene a committee to review the policies and procedures, evaluate attendance data and revise policies on an "as needed" basis.

#### **ATTENDANCE/GRADE POLICY**

The Board of Education further recognizes the important relationship between class attendance and scholar performance. Consequently, each marking period a scholar's final grade is subject to classroom participation as well as scholar's performance on homework, tests, papers, projects, etc.

Scholars are expected to attend all scheduled classes. Consistent with the importance of classroom participation, any missing class work not made up, shall result in the loss of points from the scholar's class participation grade for the marking period.

#### **16**

Any scholar absent in excess of 27 school days in a full year course or 13 school days for a half year course who does not make up the work will not receive credit or a unit of study for that course. Only when there is an excused absence will scholars be allowed to make up the missed work.

To ensure that parents and scholars are aware of the implications of this minimum attendance requirement, appropriate school personnel will inform the scholar, and contact the parent upon each absence and remind the parent(s) that a written excuse has to be provided upon the scholar's return to school. School personnel will maintain appropriate documentation of attempts to contact parents (i.e. phone logs, copies of mailings). If no written excuse is provided before the scholar's third day of returning from an absence, the absence will be deemed an unexcused absence.

Any scholar who misses a class is expected upon his or her return to consult with his or her teacher regarding missed work. If the absence is excused, the scholar may earn his or her classroom participation grade by arranging an assignment with the teacher to cover the work missed and completing the assignment within the time frame designated by the teacher.

Only those scholars with excused absences will be given the opportunity to make up a test and/or turn in a late assignment for inclusion in the calculation of the performance portion of their final grade. Make up opportunities must be completed by a date specified by the scholar's teacher for the class in question.

In implementing this policy, scholars who are unable to attend a class on a given day/period due to their participation in a school sponsored activity (i.e. music lessons, field trips, etc.), must arrange with their teachers to make up any work missed. This also applies to any scholar who is absent from school due to illness who either receives home instruction from the district or makes arrangements with the teacher to make up the missed work.

Any scholar exceeding the threshold of unexcused absences or total absences (18 full year, 9 half year) will not receive credit for the course. The scholar is, however, expected to maintain an acceptable attendance the remaining days of the year that the course is in session. The scholar will be required to be in attendance 95% of the remaining days the course is to be in session. Failure to maintain an acceptable attendance pattern for the duration of the course will make the scholar ineligible to attend a summer school program at district expense.

A scholar who loses credit as a result of exceeding the district's threshold of absences will be denied the following privileges for the remaining of the academic year:

1. Participation in any school event inclusive of dances, proms, and class social trips.
2. Participation in school clubs, interscholastic sports teams, or extracurricular activities.
3. Eligibility to enroll in a BOCES vocational program in the ensuing semester or school year.

Credit for these academic courses may be earned by repeating the course the following year (semester) or by attendance at a Summer school program, if the course or its equivalent is available.

### **DISCIPLINARY CONSEQUENCES**

Numerous absences from class can dramatically impact a scholar's ability to achieve. Unexcused absence or lateness can be interpreted as a form of insubordination that may endanger a scholar's health, safety and welfare. Unexcused absences/lateness will result in disciplinary action consistent with the district's code of conduct. Those penalties may include the following:

- Parental contact
- Parent Conferences

17

- Out of School suspension

The committee will be comprised of a building administrator, a classroom teacher, a Guidance Counselor, and the child's parent/guardian. Requests for an appeal must be made in writing and within five (5) school days of the date of the notice advising the scholar and person in parental authority of the loss of class credit. If a hearing is not requested, the scholar will lose credit and will be subject to any/all other consequences. Building administration will schedule a hearing within five (5) school days of the request. The parent(s) or guardian will be required to accompany the scholar to the hearing. After hearing the appeal, the committee will recommend an action to the Building Administrator. Building Administration will render a final decision to the parents within forty-eight (48) hours of the hearing.

### **SCHOLAR EXCUSED AND UNEXCUSED LATENESS & ABSENCE**

The Board of Education shall require that scholars enrolled in the schools of the district attend regularly in accordance with state law.

Excused absences may include but are not exclusive to the following: personal illness, visits to a personal physician or health clinic, quarantine, death in the family, religious observances, required court attendance, court mandated parental visitations, approved college visitations, approved cooperative work programs, military obligations, Principal suspensions, documented immediate family emergencies, or other such reasons that may be approved upon review by the Superintendent of Schools or a designee. The district reserves the right to limit the number of days excused for a particular circumstance if the district deems the number of days absent to be excessive.

Educationally related experiences such as field trips, guidance appointments, counseling sessions or testing, etc., will not count as absences pursuant to this attendance policy. Staff taking a Field Trip will inform building administration of scholars attending the activity. Class teachers will be informed prior to the impending activity of any child attending the activity. Scholars will be required to make up any work for absences related to educational experiences. Any and all other absences (i.e., class cuts, undocumented absences, tardiness, unapproved early departures, etc) are considered unexcused absences. Time spent as a result of "In School Suspension" will not count toward the Attendance Policy.

**LATENESS/TRUANCY** is defined as the unlawful, unexcused absence of a scholar during a regularly scheduled school day, whether in part or all.

Any scholar in Grades 6-12 late to a particular course without an approved reason will receive a warning from the teacher upon the first occurrence. Upon the second occurrence of unexcused lateness, the child will be charged with a cut (unexcused absence). Subsequently, each lateness of fifteen (15) minutes or less will count as one-half (1/2) of an absence. A child will be charged with a cut after every second occurrence of unexcused lateness. A lateness of more than fifteen (15) minutes will count as a full unexcused absence. Any scholar who arrives to school more than 2 hours after the start of classes but prior to 11:30 A.M. will be marked as absent for the morning session. Scholars arriving later than 1:30 P.M. will be marked absent for the entire day.

## **18**

All absences must be accounted for. It is the responsibility of the parent/guardian to notify the school on the day of the absence or tardiness and to provide a written excuse upon the scholar's return to school. The written excuse must contain the signature of the parent/guardian or physician, the length of time and reason for the absence.

Repeated infractions of the Board of Education policy requiring regular attendance will be handled as described herein and may result in disciplinary action against the scholar.

### **UNEXCUSED ABSENCES**

The parent/guardian will be notified after each scholar unexcused absence in a course by designated school personnel.

**4<sup>th</sup> Unexcused Absence-** The parent/guardian will receive a formal warning letter.

**8<sup>th</sup> Unexcused Absence-** The parent/guardian will be required to meet with a building administrator or Guidance staff to set up a contract with the scholar and to review the district attendance policy.

**12<sup>th</sup> Unexcused Absence-** The parent will be required to meet with Building Administration.

**16<sup>th</sup> Unexcused Absence-** The parent/guardian will receive a final formal warning.

**19<sup>th</sup> Unexcused Absence-** The parent/guardian will receive notification of the loss of credit for the effected course.

Notifications for **half year courses** will occur at the 3<sup>rd</sup>, 5<sup>th</sup> and 8<sup>th</sup> occurrences. Parents will be notified of loss of credit after the 10<sup>th</sup> occurrence of unexcused absence.

### ALL ABSENCES

Scholars absent more than 27 days for a full year course (13 for half year) will not receive credit for the course. Similar to unexcused absences, parents will be notified in writing after the 4<sup>th</sup>, 8<sup>th</sup>, 12<sup>th</sup>, 16<sup>th</sup> absences. Final warnings will occur after the 20<sup>th</sup> absence and 24<sup>th</sup> absence. After the 28<sup>th</sup> absence parents will be notified of the loss of credit.

### SPECIAL CIRCUMSTANCES

#### **A. HOMELESS SCHOLARS**

Any scholar in transient housing and meeting the federal definition of homelessness will be exempt from this attendance policy until transportation and other obstacles are removed.

## ***HOW DO I KNOW IF I AM A FRESHMAN, SOPHOMORE, JUNIOR OR SENIOR?***

### **SCHOLAR GRADE-LEVEL PLACEMENT**

Scholars will be assigned to a grade level on the basis of earned units of credit:

| <b><u>GRADE</u></b> | <b><u>MINIMUM ACADEMIC CREDITS EARNED</u></b> |
|---------------------|-----------------------------------------------|
| 10                  | 5.5                                           |

| 12                  | 16.5                                          |

### **COURSE/CREDIT REQUIREMENT**

Scholars in Grades, 9, 10, and 11 must take a minimum of six (6) credits of coursework per year plus physical education.

## **21**

Scholars in Grade 12 must take a minimum of five and one half (5 ½) credits of course work plus physical education. It is expected that all scholars will avail themselves of a program which carries a maximum number of units. This is a requirement to stay on track for graduation.

### **WHY MUST I DO HOMEWORK?**

As a full time WMHS student, your job is to learn and gain skills to prepare you for college and higher education which will provide you the opportunity to live a productive and prosperous life when you leave school. To be a successful scholar nightly homework is necessary. Your classroom work and homework are related. Homework refreshes and reinforces what you have learned in your classroom.

WMHS teachers will provide you with meaningful and challenging classroom work that requires you to go home and do work that prepares you for the next day of school. It is important that you take the time to do your homework and bring it to class each day. The consistency and quality of your homework will directly affect your class grades, report card and even hopes of graduating. Just do it! You will be glad you did.

### **MORE ABOUT HOMEWORK!**

Your teachers will be giving you at least thirty (30) minutes of homework for each subject. You can expect to have about two (2) hours of homework each night. Study habits are imperative towards college/career readiness. Here are some great home study tips:

1. Set aside a special time and place to do homework and study for the next school day.
2. Are you a member of the Wyandanch Public Library? Check it out. It is a great place to do homework and study. A library card is really easy to get.
3. The smartest scholars ask questions and solve problems. If you do not understand your homework assignments ask your teacher. They will be more than willing to take the time to answer your questions and steer you in the right direction to get your work done. Remember, always ask lots of questions. It is okay!
4. To make sure you know exactly what you have to do, write down your assignments in your notebook.
5. When handing in your homework make sure its neat (no food stains, please), readable, and completely finished.
6. If you are ever absent from school or class, remember that what the other scholars did in class that day becomes homework for you. You will have to make up missed class work at home. The school's attendance rules give you a deadline when you are able to hand in work when you are absent. Get all missed class work and homework in on time.
7. Your parents may ask your teacher for your homework assignments ahead of time. All they have to do is send a note to the teacher asking for it.

### **DIPLOMA REQUIREMENTS**

A summary of course and exam requirements can be found in the WMHS Curriculum Handbook. Diploma requirements vary for each class. The year a scholar entered ninth grade will determine whether a scholar will be eligible to earn a Local, Regents or Advanced Regents Diploma.

## **22**

### **ACADEMICS AND EXTRACURRICULAR ACTIVITIES**

While the Board of Education supports and encourages scholar participation in extra-curricular activities, it believes that the academic needs of the scholar must take priority. The Board also believes that participation in extra-curricular activities is a privilege reserved for those who uphold school rules, demonstrate good citizenship, and as necessary, evidence of good health.

### **ACADEMICS AND ATHLETICS**

Each scholar has the right to try out for and to participate in athletic competitions. However, this right carries with it the responsibility to first meet academic, attendance and conduct obligations, as explained above.

Note:

1. Requirements must be met year-round, not just during the sports season.
2. Students on out-of-school suspension are not permitted on school grounds for any reason during the period of suspension, and therefore, may neither practice nor play during that period.
3. Students cannot practice nor play on a day which they have, without legal excuse, missed more than two (2) periods of class.
4. Students under suspension are not eligible for academic and athletic awards.

### **SCHOLASTIC ELIGIBILITY**

1. All students, including seniors, must enroll in at least five (5) subjects and physical education to be eligible to participate in any extracurricular activity unless the Principal gives prior approval.
2. At the end of each marking period, four (4) times a year, scholar's participation in extra-curricular activities will be reviewed. Scholars must maintain an overall grade point average (G.P.A.) of C+ (2.5) or better. Whenever a student's G.P.A. falls below C or 2.5, he/she will be placed on academic probation. Scholars must have an average daily attendance of 90%.
3. Scholars will be expected to demonstrate appropriate school citizenship. This will be monitored through the attendance and guidance offices. In addition, if a scholar has been suspended, he/she will be referred to the eligibility committee that will determine the period of the time he/she shall be barred from participation in the extra-curricular activity.
4. Every scholar placed on academic probation will be encouraged to attend extra-help sessions. It is the student's responsibility to seek out and attend such sessions. Failure to do so could result in the scholar being declared ineligible for any further participation in extra-curricular activities.
5. A probation period is five weeks long. During this time, the scholar must submit weekly progress reports in order that his/her progress may be carefully monitored. If the scholar fails to submit a weekly progress report, he/she will be ineligible for participation in extra-curricular activities until the report is submitted. Should a scholar fail to submit all five progress reports by the end of the probation period, he/she will be declared ineligible to participate in extra - curricular activities. At the end of the five weeks, if the scholar has not raised his/her G.P.A. to at least the minimum, he/she will be dropped from that extra-curricular activity. No scholar will be permitted to be on academic probation two (2) quarters in a row.

## **23**

### **WILSON TECHNOLOGY: VOCATIONAL AND TECHNICAL SCHOOL**

Scholars may explore a variety of occupations outside of WMHS. The course is half day in duration and every day. Scholars may select to attend AM Tech. A parent/guardian, the scholar's guidance counselor, and the principal must approve each program. All applications for Technical programs must be completed by April 15<sup>th</sup> of each year. (1) Scholars must maintain a minimum attendance of 90%. Scholars who fall below the minimum attendance figure are subject to review and recall from Wilson Tech. Each Technical program will have requirements specific to the course of study. Speak with your guidance counselor regarding prerequisites for admission to Wilson Tech. programs and/or consult the Curriculum Guide for more details on Tech.

### **SCHOLAR WORKING PAPERS**

1. Pick up an application for an Employment Certificate before or after school on Tuesday and Thursday in the Guidance Office.
2. Complete and return Parental Consent.
3. Complete and return the Physical Fitness Certification.
4. Completed cards can be picked up three (3) days later at the beginning or end of the school day on Tuesdays or Thursdays.

### **OUT-OF-SCHOOL SUSPENSION (OSS)**

This measure will be used for scholars whose behavior is either disruptive and poses a danger to the order and safety of the school, or where repeated offenses indicate an adjustment cannot be made within the available school resources. When suspended, scholars are not allowed on Wyandanch school property. The purpose of this measure is to provide the scholar with a period of time to correct serious behavior problems. The administrator will make an effort to bring guidance, teaching staff, and parents/guardians together to prevent any need for further disciplinary action. Scholars who are placed on long-term suspensions may be provided an education in alternative setting as determined by authorities in accordance with SED Regulations and Board of Education policies. Scholars are not permitted to leave their home between 7:00 a.m. – 1:52 p.m. The following chart summarizes the Code of Conduct and the scholar's rights and responsibilities. ## **DRUG AND ALCOHOL POLICY**

Wyandanch Memorial High School believes that education helps prevent involvement with drugs, tobacco, and alcohol. Instruction will include sessions about the causes and effects these illegal substances have on young people. In addition, all high school students will receive

instruction on the dangers of driving while under the influence of alcohol and/or drugs. Any scholar that sells, buys or distributes drugs, tobacco, or alcohol on Wyandanch school property will be subject to arrest and suspension from school. Parents/guardians will be notified immediately and be asked to report to the Principal.

### **WMHS: A DRUG AND SUBSTANCE ABUSE FREE ZONE**

This policy is based on convictions that school should be an alcohol/drug free environment and that the abuse of mind-altering substances is a treatable illness. Effective identification of drug and alcohol problems begins with consistent consequences incurred for violations of the chemical use policy. Therefore, violations of the chemical use policy while on school property will incur disciplinary action(s) as listed on the Code of Conduct Chart of this handbook and referral to the drug and alcohol counseling program.

### **PROFANE AND VULGAR LANGUAGE**

Vulgar, profane, obscene, language or gestures are not permitted. Any scholar found using them will be disciplined severely. This may include detention and if this behavior persists then OSS for up to five days maybe the result.

### **SNOWBALLS, WATER GUNS, TOY GUNS, BB GUNS, PELLET GUNS, STUN GUNS, PAINT BALL GUNS, LASER PENS, WATER BALLONS, MACE**

Due to the high probability of accidents that may result from throwing snowballs or playing with any of the above listed items, all such activity is strictly prohibited on school grounds. Any scholar who reports to school with any form of a *non-lethal gun* will be disciplined in the same manner as if the gun was real.

Scholars are expected to be present for all scheduled standardized tests and Regents exams. Parents/Guardians of scholars will be notified by the school as to dates and times of examinations.

### **NURSE'S OFFICE**

Our greatest concern is to ensure the health and safety of everyone in our schools. At the same time, we must also contend with a myriad of complex challenges like addressing students' social and emotional needs. The health and safety of the children and adults in our schools is paramount. Health and safety

considerations must always come first in every decision made and every action taken by our schools in this district.

Our schools have an important role to play in educating and communicating with the school communities about the everyday preventive actions they can take to prevent the spread of infections and diseases. Prevention is accomplished by following the recommendations of health authorities in the following areas:

1. Immunize against infectious diseases.
2. Wash and dry your hands regularly and well.
3. Stay at home if you are sick.
4. Cover coughs and sneezes.
5. Clean surfaces regularly.
6. Ventilate your home.

The above categories are essential, as they represent the minimum standards set by the Centers for Disease Control and Prevention (CDC). Additional considerations are based on best practice or recommendations from the CDC and the New York State Department of Health (NYSDOH) which should also be reviewed and followed. Our school districts must continually monitor the CDC and DOH websites to keep current with the latest information and guidance.

Our school should consider limiting the number of visitors on school grounds. Our school plan should include steps that will be taken to instruct parents/guardians in screening students at home for signs of illness by multiple means which may include written communication, short videos and/or parent forums.

Our school has designated two (2) rooms for school health services. One room for healthy students to obtain medications and nursing treatments. The second room for isolating ill persons if necessary. Parents can be proactive in all aspects of their child's school lives, by following the below CDC recommendations. Children should stay at home if they exhibit the following symptoms:

- Fever or chills (100°F or greater).
- Shortness of breath or difficulty breathing.
- Fatigue.
- Muscle or body aches.
- Headache.
- New loss of taste or smell.

34

- Sore throat /cough.
- Congestion or runny nose.
- Nausea or vomiting; and/or
- Diarrhea.

**PLEASE NOTE:**

Sick children WILL be sent home for the protection of everyone in school. Parents are expected to make arrangements to have their sick children picked up, in the event they cannot pick them up themselves. If necessary, scholars that are injured or very ill will be accompanied by a staff person appointed by the principal, if it's determined that the scholar requires to be transported via EMS to the emergency room. Stay home when you are sick. If possible, stay home from work, school, and errands when you are sick. You will help prevent others from catching your illness. Avoid close contact with people who are sick.

The nurses' office should not be the first stop for an irate student. (After fighting, angry, verbally aggressive, not up to a conversation). They should first be brought to an independent de-escalation area before entering the nurse's office. This protects other students as well as the nurse from possible harm or danger due to another students' anger or possible abusive mentality.

We must follow all guidance related to health and safety, including social distancing, cleaning touched places frequently, and isolation if needed, to prevent the spread of harm danger or infection.

Our Nurses office has various communicable disease protection features, we are seeking to not only protect the students and adults, but the Nurse also. Please understand the nurse's office is not a social gathering spot, it is there for the health and safety of everyone. We look for everyone to stay healthy and safe at all times.

## **Strategies for Everyday Operations to prevent the spread of Infectious diseases**

Schools and ECE programs should take a variety of actions every day to prevent the spread of infectious diseases, including the virus that causes COVID-19. The following set of strategies for everyday operations should be in place at all COVID-19 Community Levels, including low levels.

### **Staying Up to Date on Vaccinations**

Schools, ECE programs, and health departments should promote equitable access to vaccination.

Staying up to date on routine vaccinations is essential to prevent illness from many different

infections. COVID-19 vaccination helps protect eligible people from getting severely ill with COVID-19. For COVID-19, staying up to date with COVID-19 vaccinations is the leading public health strategy to prevent severe disease. Not only does it provide individual-level protection, but high vaccination coverage reduces the burden of COVID-19 on people, schools, healthcare systems, and communities.

### **Staying Home When Sick**

People who have symptoms of respiratory or gastrointestinal infections, such as cough, fever, sore throat, vomiting, or diarrhea, should stay home. Testing is recommended for people with symptoms as soon as possible after symptoms begin. People who are at risk for getting very sick with COVID-19 who test positive should consult with a healthcare provider right away for possible treatment, even if their symptoms are mild. Staying home when sick can lower the risk of spreading infectious diseases to other people. For more information on staying home when sick with an infectious disease, including recommendations for isolation and mask use for people who test positive or who are experiencing symptoms consistent with COVID-19, see [Isolation and Precautions for People with COVID-19](#).

### **Hand Hygiene and Respiratory Etiquette**

Washing hands can prevent the spread of infectious diseases. Schools and ECE programs should teach and reinforce proper handwashing to lower the risk of spreading viruses, including the virus that causes COVID-19. Schools and ECE programs should monitor and reinforce these behaviors, especially during key times in the day (for example, before and after eating, after using the restroom, and after recess) and should also provide adequate handwashing supplies, including soap and water.

If washing hands is not possible, schools and ECE programs should provide hand sanitizer containing at least 60% alcohol. Hand sanitizers should be stored up, away, and out of sight of younger children and should be used only with adult supervision for children ages 5 years and younger.
