BUS #1
Budget Transfer

BACKGROUND INFORMATION:

Budget estimates are often prepared months in advance of actual expenditures. The possibility that the amount of each expenditure will be known in exact terms at the time of budget preparation is very unlikely.

The Commissioner of Education in Section 170.2(1) of the Regulations of the Commissioner provides school districts with a vehicle for making necessary budget transfers in discretionary areas.

This regulation allows transfers to be made between contingent expenditure codes and from non-contingent expenditure codes to contingent expenditure codes.

This regulation does not allow transfers to be made from contingent expenditure codes to non-contingent codes, or between non-contingent expenditure codes.

This regulation further permits the Board of Education, by resolution, to authorize the Chief School Officer to make transfers within limits established by the Board.

At the Reorganization Meeting for the 2019/2020 school year, the Board of Education authorized the Chief School Officer to make transfers under \$5,000, thereby requiring transfers above that amount to be approved by the Board of Education.

RESOLUTION:

BE IT RESOLVED, upon the recommendation of the Superintendent of Schools, that the Board of Education approve the following budget transfer:

	Transfer To:	Transfer From:
A-1620-433-07-1624 Utilities-Telecom	\$1,300.28
